

# Do you have Unused or Expired Medication?

The next Drug Enforcement Administration (DEA) National Prescription Drug Take-Back Day will take place **Saturday, October 29, 2011 from 10 AM to 2 PM**, providing consumers in every state with a safe means for the disposal of unwanted, unused prescription medications.

Authorized DEA take-back sites are coordinated with local law enforcement agencies so that prescription controlled substances may be accepted for disposal. **DEA reminds consumers that the take-back service is free and anonymous, with no questions asked.**

Sites will accept tablets, capsules, and all other solid dosage forms of unwanted medication. Personal information may be blacked out on prescription bottles, or medications may be emptied from the bottles into the bins provided at the events.
