*Easter Egg Hunt Wrap Up*

Event over all went well. Next year we need to set the tent up in a separate area. Face painting was a huge success. Bunny Toss went well considering the wind. Need a Map handout of the areas as well as a activities that are going on. We will look at the possibility of changing it up next year, such as .... Using the whole football field, using numbered eggs where each child has to search for their number only and when they are completed will return the eggs back to registration to receive their prize. We also need to draw the raffles before the hunt begins. The bike give away was a great idea.

The tetherball at Winchester is missing. Steve will order new ones and replace it.

Rule signs also need to be up at Sweeney.
