FY 09 PRELIMINARY VALUE NOTICE **By BOARD OF ASSESSORS**

The Ashburnham Board of Assessors has been notified that proposed assessed values of Real Estate and taxable Personal Property in Ashburnham for fiscal year 2009 have received preliminary approval from the Department of Revenue.

As part of the triennial recertification process by the Board of Assessors, taxpayers and interested parties may review assessments at the Assessors Office. Values are also listed on the town's website; www.ashburnham-ma.gov. Taxpayers who dispute their new values may make an appointment to meet with the Board by contacting the office, 978-827-4100, ext. 111. Hearings will be held from Monday through Thursday, November 10 - 13, 9am to 5pm.

With some exceptions, assessed values of single family residences remained close to previous fiscal year values. Land valuations were carefully reviewed by the Board's recertification contractor, Mayflower Valuation Ltd., with modifications to land valuation methodology made which resulted in an overall increase in the total valuation of vacant land. The recertification has also resulted in increases in the values of commercial and industrial property.

Taxpayers should be aware that the FY09 values and valuation schedules were developed on the basis of sales data for prices the preceding year, 2007. Therefore, sales prices of single family homes during 2008 may well be below assessed values for FY09, given the present market conditions.
