

SCIENCE FOR YOUNG CHILDREN

with **Steve Lechner "The Science Guy"**

The "Rainbows & Color Workshop" is an opportunity for children to explore colors and color mixing as the Science Guy helps them create a rainbow in a jar and even unmix colors!

ONE FREE session—limited enrollment:

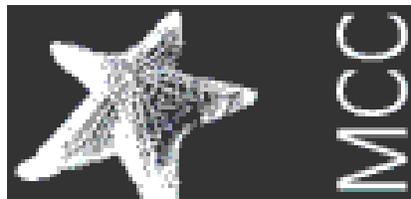

Wednesday, April 30th

J.R. Briggs Elementary School

from 11:30 - 12:00 p.m.

Registration required by email: sthibodeau@awrs.org
