

**Minutes of the Board of Health
June 4, 2007**

Present: Glen Hathaway, Chairman, Thomas Flanagan, Scott Sibley, Patrick Durkee,
Rick Metcalf, Health Agent

I. Agenda approved with one addition: Jim Warren of Holden Sanitation

II. Minutes of May 7, 2007 were revised as follows:

1. To show that Rick Metcalf was present at the last meeting.
2. In Adams Hearing, the reference to removal of “dirt” refers to their septic leaching field.

III. Septic Permits Approved:

1. Margaret Sisson: Lot 4 Murray Road
2. DRS Homes, David Salo: 179 Winchendon Road, Lot 24B
3. DRS Homes, David Salo: 147 Winchendon Road, Lot 24A
4. DRS Homes, David Salo: 187 Winchendon Road, Lot 24C
5. Robert Cole: Sherbert Road, Lot 7
6. Gary Gleason: 155 Winchendon Road
7. Robert Raffi: Sherbert Road, Lot 6
8. Jeff and Cindy Brewer: 189 Ashby Road

7:00 PM Jim Warren – Holden Sanitation: Variance request for alternate percolation. A four foot offset to groundwater is required (CMR 15.2121A). A three foot offset is provided.
The Board voted unanimously to approve the Variance.

7:05 PM The Board reviewed correspondence.
The Board directed Rick Metcalf to check on animals at Jean’s Country Curl and Board of Health law in regards to situation.

7:15 PM Donald Gillis: 57 Stodgemoadow Road: Variance Request
A 25-foot offset for a well to a private way is required: 27 feet is provided.
A 25 foot offset for a well to a property line is required: 9 feet is provided.
The Board voted unanimously to approve the Variance.

7:25 PM The Board reviewed correspondence.
The Board requested Rick Metcalf review the Naukeag Hospital Case. The Board requested Rick Metcalf to contact LSP on site clean-up and status of septic system installation.

7:30 PM Greg Wiltshire: 47 Stodgemoadow Road: Variance Request
Chris Mackenzie of Whitman & Bingham presented Variance requests detailed

in a letter from Jack Maloney, dated May 10, 2007. (See attached)
The Board voted unanimously to approve all requested Variances.
Note: John McLaughlin showed before conclusion of the meeting.

- The Board requests the Nashoba Nursing Service to make a visit to Fitchburg Road, the concrete house located just down from Boutwells garage on the right as heading towards Fitchburg on Route 12. The Board is concerned there is a health situation in the house due to trash build up.

Meeting adjourned at 7:45 PM
