CALL TO ORDER 6:00 p.m.

**Motion by Charlie Packard, 2nd by Dave Berger to approve the November 14, 2017
Agenda, vote was unanimous.**

**Approval of October 11, 2017 tabled until minutes are amended. Minutes to be amended
in New Business, from “Dave Berger state he did not agree with paving Sherbert Road but
rather would like to see the trench for the main patched.” to read “Dave Berger proposed
that the Water Department does not pay the whole cost for road reconstruction but rather
only contributes to the cost for trench restoration.”**

NEW BUSINESS

Mike Schrader from Tighe & Bond reviewed recommendations and discussed increases for water and sewer rates, reviewed debt and future projects. Board decided that increasing water debt fee, tier rates by 10% across the board and 12% increase for sewer rate as voted in October 10, 2017 meeting.

Sherbert Road project through a USDA grant was discussed. Project has been tabled for this year due to paving being taken out of it.
